PENTECOST UNIVERSITY COLLEGE

Empowered to Serve
Pentecost University College (PUC) is a Christian institution that aims at producing students who will be exposed to the highest level of scholarship and equipped as leaders of integrity, who are able to spearhead spiritual, social and economic transformation in their society. The vision of PUC is to INSPIRE students to serve their OWN generation and posterity with integrity and the fear of God.

PUC prepares its students to be critical and creative thinkers who will not compromise on moral and professional standards. Students trained in this University College are encouraged to imitate the character of our Lord and Saviour Jesus Christ and serve as a solution to challenges in the society by influencing their immediate communities and the world at large.

The leadership of the institution envisions a Christ–centred community where individuals will be inspired not only by their education but by the power of the Holy Spirit at work in them. PUC is therefore committed to the development of students intellectually, professionally and spiritually.

This Christian Institution looks forward to foster academic rigour and commit to a world class teaching in a pleasant and favourable scholarly environment.
